

# AVEVA Training - Korea (MTSC-Busan)

## AVEVA Marine 2012 Public Training Schedule

AVEVA Marine Design	Duration Days	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
AVEVA Marine 12 Hull Design	4				09-13			09-12					
AVEVA Marine 12 Outfit. Design	10				16-27			16-27					
AVEVA Marine 12 System Admin. (Common)	2				30-2/5				13-14				
AVEVA Marine 12 System Admin. (Hull)	2					03-04			16-17				
AVEVA Marine 12 Catalogue & Specification	5					14-18			20-24				
AVEVA Marine Hull Early Design	2					21-22			27-28				
AVEVA Marine 12 PML Basic	4					29-1/6				04-07			
AVEVA Marine 12 PML Advanced	3									10-12			
AVEVA Marine 12 Review & ReviewShare	2									18-19			
AVEVA Marine 12.1 SP2 Upgrade Training	10										22-2/11		

Please see next page for course content details.

# AVEVA Training - Korea (MTSC-Busan)

## AVEVA Marine 2012 Public Training Schedule

### Course Content

#### AVEVA Marine 12 Hull Design

- AVEVA Marine 12 Hull Application Overview (New functionality)
- FEM Interface
- Assembly/Weld Planning
- Automatic Drawing Production (ADP)

#### AVEVA Marine 12 Outfit. Design

- AVEVA Marine Outfitting Overview
- Equipment Modeling
- Pipework Modeling
- Structure Modeling
- HVAC Modeling (with Diagram overview)
- Clash Detection, Data Consistency Check
- Report, ISO Generation
- 2D Drafting
- Cableway & Cable Routing
- Importing Cables
- Cable Tray Materials
- Cableway Penetrations
- Room Design

#### AVEVA Review & ReviewShare

- ReviewShare Server Setup
- Review Operation

#### AVEVA Marine 12 System Administration (Common)

- AVEVA Marine License Control
- Project Creation
- User, Team, DB, MDB Creation
- Project Management
- Lexicon (including Status Management usage)
- Draft Administration

#### AVEVA Marine 12 System Administration (Hull)

- AVEVA Marine Hull in Dabacon

#### AVEVA Marine 12 Catalogue & Specification

- Piping Catalogue Creation
- Table Management
- Spec. Generation
- Bolt Management
- Insulation, Tracing Catalogue & Specification
- Nozzle Catalogue & Specification
- Profile Catalogue & Specification
- Room Catalogue
- Cable Catalogue

#### AVEVA Marine Hull Early Design

- Common Reference Model
- Early Hull Steel
- Model Interface with FEA Tools

#### AVEVA Marine 12 PML Basic

- Macros, Variables, Functions
- Control Logic, Arrays
- Errors and Error Handling
- Handling Files and Directories
- Form & Gadget

#### AVEVA Marine 12 PML Advanced

- Advanced Forms
- Advanced Function & Object
- PML .NET Interface

#### AVEVA Marine 12.1 SP2 Upgrade Training

- Marine Draft
- New function for Hull
- New function for Outfitting
- Space management
- PSM (Pipe Support Marine)

For more information, please contact the Training Coordinator.
