

## AVEVA Digital Exchange

### CAEPIPE 3D+™ Special Promotion

SST Systems, Inc., a Technology Partner to AVEVA, is pleased to announce this Special Offer on the pipe stress software CAEPIPE 3D+, which is seamlessly integrated with AVEVA's 3D Plant Design software E3D/PDMS. Further details on CAEPIPE 3D+ are available on [AVEVA.com](http://AVEVA.com) (which also includes a video).

For every corporate / organizational / institutional site that uses AVEVA's E3D/PDMS licenses, SST Systems, Inc. offers one seat rental license of SST Systems' CAEPIPE 3D+ for six consecutive months "free of any license fees". This offer is valid for delivery of such "free" CAEPIPE 3D+ licenses to sites located within the USA, Canada and India upto December 31, 2021.
