

AVEVA™ Plant SCADA Certified Expert

Certification Paths

I currently have

v2018 R2 Certification

I need Plant SCADA 2020 R2
Certification

Configuration 2020 R2 Exam*

No Certification
(Includes any candidate
having passed some or all
exams earlier to 2018)

- Configuration 2020
- Architecture and Redundancy 2018 R2**
- Programming with Cicode 2018 R2**

*Workspace Exam has been merged into Configuration exam.

**There will not be 2020 version of Architecture and Redundancy and Programming with Cicode exams.
